

Perivascular D Slide 1 Table of contents  
Perivascular D Slide 2 What is the fundamental nature of the pathologic process?  
Perivascular D Slide 3 Perivascular dermatitis with little or no epidermal changes  
Perivascular D Slide 4 urticaria, information  
Perivascular D Slide 5 urticaria, clinical  
Perivascular D Slide 6 urticaria, histology  
Perivascular D Slide 7 urticaria, histology  
Perivascular D Slide 8 urticaria, histology  
Perivascular D Slide 9 polymorphous light eruption, information  
Perivascular D Slide 10 polymorphous light eruption, clinical  
Perivascular D Slide 11 polymorphous light eruption, histology  
Perivascular D Slide 12 polymorphous light eruption, histology  
Perivascular D Slide 13 arthropod (bug) bite, information  
Perivascular D Slide 14 arthropod (bug) bite, clinical  
Perivascular D Slide 15 arthropod (bug) bite, histology  
Perivascular D Slide 16 arthropod (bug) bite, histology  
Perivascular D Slide 17 arthropod (bug) bite, histology  
Perivascular D Slide 18 scabies, information  
Perivascular D Slide 19 scabies, clinical  
Perivascular D Slide 20 scabies, histology  
Perivascular D Slide 21 scabies, histology

Spongiotic D Slide 1 spongiotic dermatitis-introduction  
Spongiotic D Slide 2 spongiotic dermatitis, information  
Spongiotic D Slide 3 acute spongiotic dermatitis, clinical  
Spongiotic D Slide 4 subacute spongiotic dermatitis, clinical  
Spongiotic D Slide 5 chronic spongiotic dermatitis, clinical  
Spongiotic D Slide 6 differential of spongiotic dermatitis  
Spongiotic D Slide 7 spongiotic dermatitis, histology  
Spongiotic D Slide 8 spongiotic dermatitis, histology  
Spongiotic D Slide 9 spongiotic dermatitis, histology  
Spongiotic D Slide 10 spongiotic histology  
Spongiotic D Slide 11 spongiotic dermatitis, histology  
Spongiotic D Slide 12 dermatophytosis, informational  
Spongiotic D Slide 13 dermatophytosis, clinical  
Spongiotic D Slide 14 dermatophytosis, histology  
Spongiotic D Slide 15 dermatophytosis, histology  
Spongiotic D Slide 16 dermatophytosis, histology  
Spongiotic D Slide 17 erythema annulare centrifugum, clinical  
Spongiotic D Slide 18 erythema annulare centrifugum, histology  
Spongiotic D Slide 19 erythema annulare centrifugum, histology (split frame image)

Psoriasiform Slide 1 superficial and deep perivascular lymphocytic infiltrates  
Psoriasiform Slide 2 psoriasiform dermatitis  
Psoriasiform Slide 3 psoriasis, information  
Psoriasiform Slide 4 psoriasis, clinical  
Psoriasiform Slide 5 psoriasis, histology  
Psoriasiform Slide 6 psoriasis, histology

Psoriasiform Slide 7 psoriasis, histology  
Psoriasiform Slide 8 lichen simplex chronicus, information  
Psoriasiform Slide 9 lichen simplex chronicus, clinical  
Psoriasiform Slide 10 lichen simplex chronicus, histology  
Psoriasiform Slide 11 lichen simplex chronicus, histology  
Psoriasiform Slide 12 lichen simplex chronicus, histology  
Psoriasiform Slide 13 chondrodermatitis nodularis helicis, information  
Psoriasiform Slide 14 chondrodermatitis nodularis helicis, clinical  
Psoriasiform Slide 15 chondrodermatitis nodularis helicis, histology  
Psoriasiform Slide 16 chondrodermatitis nodularis helicis, histology  
Psoriasiform Slide 17 chondrodermatitis nodularis helicis, histology  
Psoriasiform Slide 18 pityriasis rosea, information  
Psoriasiform Slide 19 pityriasis rosea, clinical  
Psoriasiform Slide 20 pityriasis rosea, histology  
Psoriasiform Slide 21 pityriasis rosea, histology

Interface D Slide 1 interface dermatitis  
Interface D Slide 2 erythema multiforme, information  
Interface D Slide 3 erythema multiforme, clinical  
Interface D Slide 4 erythema multiforme, histology  
Interface D Slide 5 erythema multiforme, histology  
Interface D Slide 6 fixed drug eruption, information  
Interface D Slide 7 fixed drug eruption, clinical  
Interface D Slide 8 fixed drug eruption, histology  
Interface D Slide 9 fixed drug eruption, histology (split frame image)  
Interface D Slide 10 pityriasis lichenoides, information  
Interface D Slide 11 pityriasis lichenoides, histology  
Interface D Slide 12 pityriasis lichenoides, histology  
Interface D Slide 13 pityriasis lichenoides, histology  
Interface D Slide 14 secondary syphilis, information  
Interface D Slide 15 secondary syphilis, clinical  
Interface D Slide 16 secondary syphilis, histology  
Interface D Slide 17 secondary syphilis, histology  
Interface D Slide 18 secondary syphilis, histology  
Interface D Slide 19 lichen planus, information  
Interface D Slide 20 lichen planus, clinical  
Interface D Slide 21 lichen planus, histology  
Interface D Slide 22 lichen planus, histology  
Interface D Slide 23 lichen planus, histology  
Interface D Slide 24 lichen planus, histology  
Interface D Slide 25 lichen planus like keratosis, information  
Interface D Slide 26 lichen planus like keratosis, histology  
Interface D Slide 27 lichen planus like keratosis, histology  
Interface D Slide 28 lichenoid drug eruption, information  
Interface D Slide 29 lichenoid drug eruption, clinical  
Interface D Slide 30 lichenoid drug eruption, histology  
Interface D Slide 31 lichenoid drug eruption, histology  
Interface D Slide 32 lichenoid drug eruption, histology

Interface D Slide 33 lupus erythematosus, information  
Interface D Slide 34 lupus erythematosus, clinical  
Interface D Slide 35 lupus erythematosus, histology  
Interface D Slide 36 lupus erythematosus, histology (split frame image)  
Interface D Slide 37 lupus erythematosus, histology

Vasculitis Slide 1 vasculitis  
Vasculitis Slide 2 leukocytoclastic vasculitis, information  
Vasculitis Slide 3 leukocytoclastic vasculitis, clinical  
Vasculitis Slide 4 leukocytoclastic vasculitis, histology  
Vasculitis Slide 5 leukocytoclastic vasculitis, histology

Dense Dermal Inf Slide 1 dense dermal infiltrates  
Dense Dermal Inf Slide 2 Sweet's syndrome, information  
Dense Dermal Inf Slide 3 Sweet's syndrome, clinical  
Dense Dermal Inf Slide 4 Sweet's syndrome, histology  
Dense Dermal Inf Slide 5 Sweet's syndrome, histology  
Dense Dermal Inf Slide 6 Sweet's syndrome, histology  
Dense Dermal Inf Slide 7 sarcoidosis, information  
Dense Dermal Inf Slide 8 sarcoidosis, clinical  
Dense Dermal Inf Slide 9 sarcoidosis, histology  
Dense Dermal Inf Slide 10 sarcoidosis, histology  
Dense Dermal Inf Slide 11 xanthogranuloma, information  
Dense Dermal Inf Slide 12 xanthogranuloma, clinical  
Dense Dermal Inf Slide 13 xanthogranuloma, histology  
Dense Dermal Inf Slide 14 xanthogranuloma, histology  
Dense Dermal Inf Slide 15 xanthogranuloma, histology  
Dense Dermal Inf Slide 16 granuloma annulare, information  
Dense Dermal Inf Slide 17 granuloma annulare, clinical  
Dense Dermal Inf Slide 18 granuloma annulare, histology  
Dense Dermal Inf Slide 19 granuloma annulare, histology  
Dense Dermal Inf Slide 20 granuloma annulare, histology  
Dense Dermal Inf Slide 21 differential of palisaded and granulomatous dermatitis  
Dense Dermal Inf Slide 22 necrobiosis lipoidica, information  
Dense Dermal Inf Slide 23 necrobiosis lipoidica, clinical  
Dense Dermal Inf Slide 24 necrobiosis lipoidica, histology  
Dense Dermal Inf Slide 25 necrobiosis lipoidica, histology  
Dense Dermal Inf Slide 26 necrobiosis lipoidica, histology  
Dense Dermal Inf Slide 27 necrobiosis lipoidica, histology  
Dense Dermal Inf Slide 28 rheumatoid nodule, information  
Dense Dermal Inf Slide 29 rheumatoid nodule, histology  
Dense Dermal Inf Slide 30 rheumatoid nodule, histology  
Dense Dermal Inf Slide 31 rheumatoid nodule, histology  
Dense Dermal Inf Slide 32 palisaded neutrophilic and granulomatous dermatitis, information  
Dense Dermal Inf Slide 33 palisaded neutrophilic and granulomatous dermatitis, histology  
Dense Dermal Inf Slide 34 palisaded neutrophilic and granulomatous dermatitis, histology  
Dense Dermal Inf Slide 35 palisaded neutrophilic and granulomatous dermatitis, histology

Vesiculobullous Dz Slide 1 vesiculobullous diseases  
Vesiculobullous Dz Slide 2 acantholytic vesiculobullous disease, information  
Vesiculobullous Dz Slide 3 pemphigus vulgaris, histology  
Vesiculobullous Dz Slide 4 pemphigus vulgaris, histology  
Vesiculobullous Dz Slide 5 pemphigus vulgaris, histology  
Vesiculobullous Dz Slide 6 Darier's disease, histology  
Vesiculobullous Dz Slide 7 Darier's disease, histology  
Vesiculobullous Dz Slide 8 Darier's disease, histology  
Vesiculobullous Dz Slide 9 Warty dyskeratoma, histology  
Vesiculobullous Dz Slide 10 porphyria cutanea tarda, information  
Vesiculobullous Dz Slide 11 porphyria cutanea tarda, clinical  
Vesiculobullous Dz Slide 12 porphyria cutanea tarda, histology  
Vesiculobullous Dz Slide 13 porphyria cutanea tarda, histology  
Vesiculobullous Dz Slide 14 porphyria cutanea tarda, histology  
Vesiculobullous Dz Slide 15 toxic epidermal necrolysis, information  
Vesiculobullous Dz Slide 16 toxic epidermal necrolysis, clinical  
Vesiculobullous Dz Slide 17 toxic epidermal necrolysis, histology  
Vesiculobullous Dz Slide 18 toxic epidermal necrolysis, histology  
Vesiculobullous Dz Slide 19 bullous pemphigoid, information  
Vesiculobullous Dz Slide 20 bullous pemphigoid, clinical  
Vesiculobullous Dz Slide 21 bullous pemphigoid, histology  
Vesiculobullous Dz Slide 22 bullous pemphigoid, histology  
Vesiculobullous Dz Slide 23 bullous pemphigoid, histology  
Vesiculobullous Dz Slide 24 bullous pemphigoid, DIF  
Vesiculobullous Dz Slide 25 dermatitis herpetiformis, information  
Vesiculobullous Dz Slide 26 dermatitis herpetiformis, clinical  
Vesiculobullous Dz Slide 27 dermatitis herpetiformis, histology  
Vesiculobullous Dz Slide 28 dermatitis herpetiformis, histology  
Vesiculobullous Dz Slide 29 dermatitis herpetiformis, DIF  
Vesiculobullous Dz Slide 30 herpetic dermatitis, information  
Vesiculobullous Dz Slide 31 herpetic dermatitis, clinical  
Vesiculobullous Dz Slide 32 herpetic dermatitis, histology  
Vesiculobullous Dz Slide 33 herpetic dermatitis, histology  
Vesiculobullous Dz Slide 34 herpetic dermatitis, histology  
Vesiculobullous Dz Slide 35 herpetic dermatitis, histology

Folliculitis Slide 1 folliculitis  
Folliculitis Slide 2 rosacea, information  
Folliculitis Slide 3 rosacea, clinical  
Folliculitis Slide 4 rosacea, histology

Fibrosing D Slide 1 fibrosing dermatitis  
Fibrosing D Slide 2 morphea, information  
Fibrosing D Slide 3 morphea, clinical  
Fibrosing D Slide 4 morphea, histology  
Fibrosing D Slide 5 morphea, histology (split frame image)  
Fibrosing D Slide 6 morphea, histology  
Fibrosing D Slide 7 morphea, histology

Panniculitis Slide 1 panniculitis  
Panniculitis Slide 2 erythema nodosum, information  
Panniculitis Slide 3 erythema nodosum, clinical  
Panniculitis Slide 4 erythema nodosum, histology  
Panniculitis Slide 5 erythema nodosum, histology  
Panniculitis Slide 6 erythema nodosum, histology  
Panniculitis Slide 7 nodular vasculitis and erythema induratum, information  
Panniculitis Slide 8 nodular vasculitis and erythema induratum, histology  
Panniculitis Slide 9 nodular vasculitis and erythema induratum, histology  
Panniculitis Slide 10 pancreatic panniculitis, information  
Panniculitis Slide 11 pancreatic panniculitis, histology  
Panniculitis Slide 12 pancreatic panniculitis, histology  
Panniculitis Slide 13 pancreatic panniculitis, histology

Epidermal Neoplasms Slide 1 acanthosis nigricans, information  
Epidermal Neoplasms Slide 2 acanthosis nigricans, clinical  
Epidermal Neoplasms Slide 3 acanthosis nigricans, histology  
Epidermal Neoplasms Slide 4 acanthosis nigricans, histology  
Epidermal Neoplasms Slide 5 differential diagnosis of acanthosis nigricans  
Epidermal Neoplasms Slide 6 clear cell acanthoma, information  
Epidermal Neoplasms Slide 7 clear cell acanthoma, histology  
Epidermal Neoplasms Slide 8 clear cell acanthoma, histology  
Epidermal Neoplasms Slide 9 clear cell acanthoma, histology  
Epidermal Neoplasms Slide 10 solar keratosis, information  
Epidermal Neoplasms Slide 11 solar keratosis, clinical  
Epidermal Neoplasms Slide 12 solar keratosis, histology  
Epidermal Neoplasms Slide 13 solar keratosis, histology  
Epidermal Neoplasms Slide 14 solar keratosis, histology  
Epidermal Neoplasms Slide 15 bowenoid papulosis, information  
Epidermal Neoplasms Slide 16 bowenoid papulosis, histology  
Epidermal Neoplasms Slide 17 bowenoid papulosis, histology  
Epidermal Neoplasms Slide 18 squamous cell carcinoma, desmoplastic type, information  
Epidermal Neoplasms Slide 19 squamous cell carcinoma, desmoplastic type, histology  
Epidermal Neoplasms Slide 20 squamous cell carcinoma, desmoplastic type, histology  
Epidermal Neoplasms Slide 21 squamous cell carcinoma, desmoplastic type, histology  
Epidermal Neoplasms Slide 22 Ddx of malignant cutaneous spindle cell neoplasms  
Epidermal Neoplasms Slide 23 lymphoepithelioma-like carcinoma of skin, information  
Epidermal Neoplasms Slide 24 lymphoepithelioma-like carcinoma of skin, histology  
Epidermal Neoplasms Slide 25 lymphoepithelioma-like carcinoma of skin, histology  
Epidermal Neoplasms Slide 26 lymphoepithelioma-like carcinoma of skin, histology  
Epidermal Neoplasms Slide 27 lymphoepithelioma-like carcinoma of skin, histology  
Epidermal Neoplasms Slide 28 basal cell carcinoma, infundibulocystic type, information  
Epidermal Neoplasms Slide 29 basal cell carcinoma, infundibulocystic type, histology  
Epidermal Neoplasms Slide 30 basal cell carcinoma, infundibulocystic type, histology  
Epidermal Neoplasms Slide 31 fibroepithelioma of Pinkus, information  
Epidermal Neoplasms Slide 32 fibroepithelioma of Pinkus, histology  
Epidermal Neoplasms Slide 33 fibroepithelioma of Pinkus, histology

Epidermal Neoplasms Slide 34 fibroepithelioma of Pinkus, histology

Hair Follicle Neoplasm Slide 1 trichoepithelioma, information  
Hair Follicle Neoplasm Slide 2 trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 3 trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 4 trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 5 trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 6 trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 7 desmoplastic trichoepithelioma, information  
Hair Follicle Neoplasm Slide 8 desmoplastic trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 9 desmoplastic trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 10 desmoplastic trichoepithelioma, histology  
Hair Follicle Neoplasm Slide 11 differential diagnosis of desmoplastic trichoepithelioma  
Hair Follicle Neoplasm Slide 12 tricholemmoma, information  
Hair Follicle Neoplasm Slide 13 tricholemmoma, histology  
Hair Follicle Neoplasm Slide 14 tricholemmoma, histology (split frame image)  
Hair Follicle Neoplasm Slide 15 tricholemmoma, histology  
Hair Follicle Neoplasm Slide 16 pilomatricoma, information  
Hair Follicle Neoplasm Slide 17 pilomatricoma, histology  
Hair Follicle Neoplasm Slide 18 pilomatricoma, histology  
Hair Follicle Neoplasm Slide 19 pilomatricoma, histology

Sebaceous Neoplasms Slide 1 sebaceous hyperplasia, information  
Sebaceous Neoplasms Slide 2 sebaceous hyperplasia, histology (split frame image)  
Sebaceous Neoplasms Slide 3 sebaceous adenoma, information  
Sebaceous Neoplasms Slide 4 sebaceous adenoma, histology  
Sebaceous Neoplasms Slide 5 sebaceous adenoma, histology  
Sebaceous Neoplasms Slide 6 sebaceoma, information  
Sebaceous Neoplasms Slide 7 sebaceoma, histology  
Sebaceous Neoplasms Slide 8 sebaceoma, histology  
Sebaceous Neoplasms Slide 9 sebaceous carcinoma, information  
Sebaceous Neoplasms Slide 10 sebaceous carcinoma, histology  
Sebaceous Neoplasms Slide 11 sebaceous carcinoma, histology  
Sebaceous Neoplasms Slide 12 sebaceous carcinoma, histology

Sweat Gland Neoplasms Slide 1 syringoma, information  
Sweat Gland Neoplasms Slide 2 syringoma, clinical  
Sweat Gland Neoplasms Slide 3 syringoma, histology  
Sweat Gland Neoplasms Slide 4 syringoma, histology  
Sweat Gland Neoplasms Slide 5 syringoma, histology  
Sweat Gland Neoplasms Slide 6 differential diagnosis of syringoma  
Sweat Gland Neoplasms Slide 7 cylindroma, information  
Sweat Gland Neoplasms Slide 8 cylindroma, histology  
Sweat Gland Neoplasms Slide 9 cylindroma, histology  
Sweat Gland Neoplasms Slide 10 cylindroma, histology  
Sweat Gland Neoplasms Slide 11 spiradenoma, information  
Sweat Gland Neoplasms Slide 12 spiradenoma, histology  
Sweat Gland Neoplasms Slide 13 spiradenoma, histology

Sweat Gland Neoplasms Slide 14 spiradenoma, histology  
Sweat Gland Neoplasms Slide 15 poroma, information  
Sweat Gland Neoplasms Slide 16 poroma, histology  
Sweat Gland Neoplasms Slide 17 poroma, histology  
Sweat Gland Neoplasms Slide 18 poroma, histology  
Sweat Gland Neoplasms Slide 19 microcystic adnexal carcinoma, information  
Sweat Gland Neoplasms Slide 20 microcystic adnexal carcinoma, histology  
Sweat Gland Neoplasms Slide 21 microcystic adnexal carcinoma, histology  
Sweat Gland Neoplasms Slide 22 microcystic adnexal carcinoma, histology  
Sweat Gland Neoplasms Slide 23 microcystic adnexal carcinoma, histology  
Sweat Gland Neoplasms Slide 24 microcystic adnexal carcinoma, histology  
Sweat Gland Neoplasms Slide 25 differential diagnosis of MAC

Fibrous Neoplasms Slide 1 fibrous papule, histology  
Fibrous Neoplasms Slide 2 fibrous papule, histology  
Fibrous Neoplasms Slide 3 fibrous papule, histology  
Fibrous Neoplasms Slide 4 fibrous papule, histology  
Fibrous Neoplasms Slide 5 differential diagnosis of fibrous papule  
Fibrous Neoplasms Slide 6 dermatofibroma, information  
Fibrous Neoplasms Slide 7 dermatofibroma, histology  
Fibrous Neoplasms Slide 8 dermatofibroma, histology  
Fibrous Neoplasms Slide 9 dermatofibroma, histology  
Fibrous Neoplasms Slide 10 dermatofibroma, histology  
Fibrous Neoplasms Slide 11 dermatofibrosarcoma protuberans, information  
Fibrous Neoplasms Slide 12 dermatofibrosarcoma protuberans, histology  
Fibrous Neoplasms Slide 13 dermatofibrosarcoma protuberans, histology  
Fibrous Neoplasms Slide 14 dermatofibrosarcoma protuberans, histology  
Fibrous Neoplasms Slide 15 immunohistochemistry of DFSP  
Fibrous Neoplasms Slide 16 atypical fibroxanthoma, information  
Fibrous Neoplasms Slide 17 atypical fibroxanthoma, histology  
Fibrous Neoplasms Slide 18 atypical fibroxanthoma, histology  
Fibrous Neoplasms Slide 19 atypical fibroxanthoma, histology  
Fibrous Neoplasms Slide 20 differential diagnosis of malignant cutaneous spindle cell neoplasms

Neural Neoplasms Slide 1 neurofibroma, information  
Neural Neoplasms Slide 2 neurofibroma, clinical  
Neural Neoplasms Slide 3 neurofibroma, histology  
Neural Neoplasms Slide 4 neurofibroma, histology  
Neural Neoplasms Slide 5 neurofibroma, histology  
Neural Neoplasms Slide 6 palisaded encapsulated neuroma, information  
Neural Neoplasms Slide 7 palisaded encapsulated neuroma, histology (split frame image)  
Neural Neoplasms Slide 8 palisaded encapsulated neuroma, histology  
Neural Neoplasms Slide 9 nerve sheath myxoma (neurothekeoma), information  
Neural Neoplasms Slide 10 nerve sheath myxoma (neurothekeoma), histology  
Neural Neoplasms Slide 11 nerve sheath myxoma (neurothekeoma), histology  
Neural Neoplasms Slide 12 nerve sheath myxoma (neurothekeoma), histology  
Neural Neoplasms Slide 13 Merkel cell (neuroendocrine) carcinoma, information  
Neural Neoplasms Slide 14 Merkel cell (neuroendocrine) carcinoma, histology

Neural Neoplasms Slide 15 Merkel cell (neuroendocrine) carcinoma, histology  
Neural Neoplasms Slide 16 Merkel cell (neuroendocrine) carcinoma, histology  
Neural Neoplasms Slide 17 Merkel cell (neuroendocrine) carcinoma, histology

Vascular Neoplasms Slide 1 pyogenic granuloma, information  
Vascular Neoplasms Slide 2 pyogenic granuloma, clinical  
Vascular Neoplasms Slide 3 pyogenic granuloma, histology  
Vascular Neoplasms Slide 4 pyogenic granuloma, histology  
Vascular Neoplasms Slide 5 pyogenic granuloma, histology  
Vascular Neoplasms Slide 6 bacillary angiomatosis, information  
Vascular Neoplasms Slide 7 bacillary angiomatosis, histology  
Vascular Neoplasms Slide 8 bacillary angiomatosis, histology  
Vascular Neoplasms Slide 9 bacillary angiomatosis, histology  
Vascular Neoplasms Slide 10 angiosarcoma, information  
Vascular Neoplasms Slide 11 angiosarcoma, histology  
Vascular Neoplasms Slide 12 angiosarcoma, histology  
Vascular Neoplasms Slide 13 angiosarcoma, histology  
Vascular Neoplasms Slide 14 angiosarcoma, histology

Hematolymphoid Slide 1 cutaneous B cell follicular lymphoma, information  
Hematolymphoid Slide 2 cutaneous B cell follicular lymphoma, clinical  
Hematolymphoid Slide 3 cutaneous B cell follicular lymphoma, histology  
Hematolymphoid Slide 4 cutaneous B cell follicular lymphoma, histology  
Hematolymphoid Slide 5 cutaneous B cell follicular lymphoma, histology  
Hematolymphoid Slide 6 mycosis fungoides, information  
Hematolymphoid Slide 7 mycosis fungoides, clinical  
Hematolymphoid Slide 8 mycosis fungoides, histology  
Hematolymphoid Slide 9 mycosis fungoides, histology  
Hematolymphoid Slide 10 mycosis fungoides, histology  
Hematolymphoid Slide 11 mycosis fungoides, histology  
Hematolymphoid Slide 12 lymphomatoid papulosis, information  
Hematolymphoid Slide 13 lymphomatoid papulosis, histology  
Hematolymphoid Slide 14 lymphomatoid papulosis, histology

Melanocytic Neoplasms Slide 1 solar lentigo, information  
Melanocytic Neoplasms Slide 2 solar lentigo, histology  
Melanocytic Neoplasms Slide 3 solar lentigo, histology  
Melanocytic Neoplasms Slide 4 compound melanocytic nevus, information  
Melanocytic Neoplasms Slide 5 compound melanocytic nevus, clinical  
Melanocytic Neoplasms Slide 6 compound melanocytic nevus, histology  
Melanocytic Neoplasms Slide 7 compound melanocytic nevus, histology  
Melanocytic Neoplasms Slide 8 compound melanocytic nevus, histology  
Melanocytic Neoplasms Slide 9 compound melanocytic nevus, histology  
Melanocytic Neoplasms Slide 10 Spitz's nevus, information  
Melanocytic Neoplasms Slide 11 Spitz's nevus, histology  
Melanocytic Neoplasms Slide 12 Spitz's nevus, histology  
Melanocytic Neoplasms Slide 13 Spitz's nevus, histology  
Melanocytic Neoplasms Slide 14 Spitz's nevus, histology

Melanocytic Neoplasms Slide 15 Clark's dysplastic nevus, information  
Melanocytic Neoplasms Slide 16 Clark's dysplastic nevus, clinical  
Melanocytic Neoplasms Slide 17 Clark's dysplastic nevus, histology  
Melanocytic Neoplasms Slide 18 Clark's dysplastic nevus, histology  
Melanocytic Neoplasms Slide 19 Clark's dysplastic nevus, histology  
Melanocytic Neoplasms Slide 20 melanoma, information  
Melanocytic Neoplasms Slide 21 melanoma, clinical  
Melanocytic Neoplasms Slide 22 melanoma, histology  
Melanocytic Neoplasms Slide 23 melanoma, histology  
Melanocytic Neoplasms Slide 24 melanoma, histology  
Melanocytic Neoplasms Slide 25 desmoplastic melanoma, information  
Melanocytic Neoplasms Slide 26 desmoplastic melanoma, histology  
Melanocytic Neoplasms Slide 27 desmoplastic melanoma, histology  
Melanocytic Neoplasms Slide 28 desmoplastic melanoma, histology  
Melanocytic Neoplasms Slide 29 desmoplastic melanoma, histology
